

Want to Help Improve Your Child's NF1 Care?

Parents and
Guardians,
WE NEED YOU!

The goal of the MyNF Guide study is to improve the quality of NF1-related care your child receives at the next primary care visit

Who can join?

You may be eligible if you:

- Are the parent or guardian of a child diagnosed with NF1
- Speak English or Spanish
- Live in the U.S., Puerto Rico, or U.S. territories
- Have a well-child or annual visit scheduled with their pediatrician

What is involved?

Help Us By:

- Reading informational letters about NF1
- Sharing them at your child's next doctor visit
- Completing two short surveys and one Zoom interview
- Earn up to \$150 for participating

How do I join?
