Coffee Chat 

Saturday, April 18th
12:00 pm - 2:00 pm

Zoom Virtual Hangout

We're going virtual! Our number one priority is **always** the health and safety of our NF community. Instead of canceling our event altogether, we would like to invite our local community to join us for a virtual hangout session on Zoom! Join the NF Network and our Mississippi advocates as we come together to share our stories, make new friends, and learn more about neurofibromatosis.
