

Join us for a free NF1 PN educational virtual event.

NF1 PN

Managing NF1 PN can be complex!

At Alexion, we know that support matters. Hear from a Healthcare Professional to learn more about neurofibromatosis type 1 with plexiform neurofibromas (NF1 PN).

At this event you will:

- Learn about NF1 PN and an Alexion medication.
- Gain access to support programs to help you and your family in your journey.

For more information about Alexion Programs, reach out to an Alexion Patient Education Manager (PEM)

To find the PEM closest to you, use the PEM finder at [AlexionOneSource.com/pem-finder](https://www.alexion.com/pem-finder).
