

Join us for a free NF1 PN educational virtual event.

NF1 PN

Managing NF1 PN can be complex!

At Alexion, we know that support matters. Hear from a Patient Education Manager to learn more about neurofibromatosis type 1 with plexiform neurofibromas (NF1 PN).

At this event you will:

- Get the basics on NF1 and NF1 PN from an Alexion Patient Education Manager.
- Learn about resources available for parents of children with NF1 PN.

For more information about Alexion Programs, reach out to an Alexion Patient Education Manager (PEM)

To find the PEM closest to you, use the PEM finder at [AlexionOneSource.com/pem-finder](https://alexiononesource.com/pem-finder).
