## NF1 PN

### Managing NF1 PN can be complex!

At Alexion, we know that support matters. Hear from a healthcare professional and Patient Education Manager to learn more about neurofibromatosis type 1 with plexiform neurofibromas (NF1 PN).

### At this event you will:

- Gain a new perspective on caring for a child with NF1 PN from this presentation.
- Learn about NF1 PN, the importance of PN monitoring, and how to build your NF1 PN team.

### For more information about Alexion Programs, reach out to an Alexion Patient Education Manager (PEM)

To find the PEM closest to you, use the PEM finder at [AlexionOneSource.com/pem-finder](https://alexiononesource.com/pem-finder).
